

WASATCH BACK STUDENT ART SHOW

April 29 – May 28, 2017 | Kimball Art Center

Kimball Art Center (KAC) is pleased to present the annual Wasatch Back Student Art Show featuring work by student artists in Summit and Wasatch County Schools, grades K-12. This year's exhibition will feature artwork that incorporates the theme "A Closer Look."

Eligibility

The show is open to all K-12 students residing in Summit and Wasatch Counties in public, private, charter, or home schools. Artwork must follow the theme "A Closer Look" in order to be exhibited. These pieces should creatively reflect any literal, metaphorical, or symbolic idea about what happens when you experience something in depth, celebrate the details, or look closely at something and realize it isn't as it seems.

Artwork Submission

Participants may submit only ONE ENTRY. The entry must be an original two- or three-dimensional work created during the 2016-17 school year. The artwork does not, however, need to be the result of a class assignment. Artwork previously exhibited at KAC will not be accepted.

Artwork must be dry, properly assembled, and ready to exhibit. All two-dimensional work must be framed and wired for hanging. Participants whose artwork has special installation requirements (due to size, medium, etc.) must contact Nancy Stoaks, Exhibitions Director, by March 31, 2017. KAC is not responsible for any damage rendered to an entry.

Submission Fee

There is a \$1 entry fee per student. If a piece is collaborative, please submit \$1 per student involved in making the piece. Donations will benefit education programs at KAC.

Delivery

Artwork must be dropped off at KAC's front desk April 13–18, 2017. Please see KAC's hours below. Late entries will not be able to be included. Both sections of the entry form must be complete upon delivery of artwork. Section 1 should be attached to the submitted piece of artwork. Section 2 should accompany the \$1 submission fee. We will use the information provided to create exhibition labels, so please make them legible. Email and phone numbers of parents or teachers are required so that we can insure the ability to return work to students.

Opening Reception

All artists, families, friends, and teachers are invited to an opening reception on Friday, April 28, 6-8pm. Light refreshments will be served.

Best of Show Awards

Select artists will receive Best of Show awards. They will receive recognition in the gallery as well as a take home prize. Winners will be announced at the opening reception.

Retrieving Artwork

Artwork must be picked up May 30 – June 4, 2017. If not retrieved, artwork will become the property of KAC as of June 5, 2017.

For more information, please contact:
