

Kimball Art Center (KAC) is pleased to present the annual Wasatch Back Student Art Show featuring work by student artists in Summit and Wasatch County Schools, grades K-12.

This year's exhibition will feature artwork that incorporates the theme "**Storytelling.**"

Eligibility

The show is open to all K-12 students residing in or attending public, private, charter, or home schools in Summit and Wasatch Counties. Artwork must follow the theme of **Storytelling** in order to be exhibited.

Theme

This year's theme may be taken in many directions, and we encourage creative reflection and the consideration of the following questions. In what ways can an artist convey narrative, tone, characters, and setting? What elements are most important to tell a particular story? From what perspective is this story told? What medium is best suited to telling the story?

Artwork Submission

Participants may submit only ONE ENTRY. The entry must be an original two- or three-dimensional work created during the 2018-19 school year. The artwork does not, however, need to be the result of a class assignment. Artwork previously exhibited at KAC will not be accepted.

Artwork must be dry, properly assembled, and ready to exhibit. All two-dimensional work must be framed and wired for hanging. Participants whose artwork has special installation requirements (due to size, medium, etc.) must contact Nancy Stoaks, Curator, by May 15, 2019. KAC is not responsible for any damage rendered to an entry.

Submission Fee

There is a \$1 entry fee per student. If a piece is collaborative, please submit \$1 per student involved in making the piece.

Delivery

Artwork must be dropped off at KAC's front desk May 18–June 2, 2019. Please see KAC's hours below. Late entries will not be included. Both sections of the entry form must be complete upon delivery of artwork. Section 1 should be attached to the submitted piece of artwork. Section 2 should accompany the \$1 submission fee. We will use the information provided to create exhibition labels, so please make them legible. Email and phone numbers of students (or their parents) or teachers are required so that we can insure the ability to return work to students, and notify best of show winners of their award.

UPDATED Opening Reception on Saturday, June 15

All artists, families, friends, and teachers are invited to an opening reception on the afternoon of Saturday, June 15. Light refreshments will be served.

Best of Show Awards

Select artists will receive Best of Show awards. Winners will be announced at the opening reception.

Retrieving Artwork

Artwork must be picked up July 8 – 14, 2019. If alternate arrangements need to be made for pick-up, the curator (contact info below) must be notified by July 21, 2019. If not retrieved, artwork will become the property of KAC as of July 22, 2019.

For more information, please contact:
