

## **Kimball Art Center Education Internship – Summer 2026**

Join our creative education team this summer! The Kimball Art Center Internship Program offers hands-on experience in art education and nonprofit operations. Work alongside our dedicated staff, gain insight into programs and exhibitions, and contribute your enthusiasm and skills. Open to undergraduates and early professionals. Academic credit optional. Apply now!

### **Benefits:**

Interns gain skills across arts organizations, including summer camps, studio setup, materials prep, and lesson planning. Collaborate on our signature event, the 49th Annual Park City Arts Festival (August 7–9), and assist with administrative tasks such as mailings, database management, and communications.

### **Commitment:**

12–20 hours per week, with mandatory extended hours during the Arts Festival (August 7–9). Compensation is \$10–\$12 per hour. We are happy to work with you if this is a requirement for your university program. This is a great opportunity to build skills in a dynamic arts environment.

### **Requirements:**

- Must be at least 18 years old and seeking to expand knowledge of visual arts or pursuing an art-related degree
- Outgoing and comfortable working with children, adults, and staff
- Strong organizational, communication, and customer service skills
- Proficient in Microsoft Office; Adobe Creative Suite experience appreciated
- Flexible, reliable, and able to lift up to 50 lbs
- Spanish-language skills a plus

### **To Apply:**

Submit a current resume, two professional or educational references, and a cover letter to [education@kimballartcenter.org](mailto:education@kimballartcenter.org) by **April 25, 2026**. The program runs from the first week of June through August 14, 2026 (end date flexible).
